## DRIVER SPOTLIGHT: Phillip Nichols

Phillip Nichols has been a driver for American National Logistics for almost 7 years! Mr. Nichols is a philanthropist with a deep desire to help others. He is a dog lover and rescuer who currently drives for the Company all over the United States with his two dogs. When Phillip stops at rest stops and other places along his route, he leaves care packages for needy and/or homeless people. Phillip is also writing a book! He has the biggest heart and greatest work ethic and we could not be more blessed to have such a wonderful human being work for American National. Thank you, Phillip, for all that you do for humanity, our furry four-legged friends, and our Company. You truly deserve this spotlight!
